RE: Legislative Commissions, Non-Standing Legislative Committees, and Interim Studies Authorized During the 1989 - 1990 Biennium

This document contains a listing of all permanent legislative commissions and non-standing committees and of all studies authorized or directed to be undertaken either by the 1989 or 1990 Session of the General Assembly. Ms. Debbie Dixon, a research assistant with this office, working with other legislative staff and executive branch employees, compiled this publication.

The listing of studies includes not only studies undertaken by legislative bodies but also those directed to be undertaken by other agencies of State government. This publication is arranged alphabetically by subject matter. It has both an alphabetical table of contents and an alphabetical index.

Each listing contains:

1. references to the legal authority for the commission, committee, or study;
2. if a commission or committee, the membership and staff with their names, addresses and telephone numbers;
3. if a study, who or what is to make the report and when it is to be made and to whom; and
4. if a study by a state agency, the contact person.

For the membership of other existing permanent executive and judicial agencies, please contact Ms. Cathy Martin, our Legislative Librarian, at 733-7778 or Mr. Dean Myers, the Governor's Director of Personnel Appointments, Boards and Commissions, at 733-5811.
